Per California Elections Code section 13204 the elections official is required to provide the following:

INSTRUCTIONS TO VOTERS

Voting at Polls:

To vote for a candidate whose name appears on the ballot, turn the select wheel to move the blue bar to highlight your choice and press the ENTER button. Where two or more candidates for the same office are to be elected, turn the select wheel to move the blue bar to highlight your choice and press the ENTER button after the names of all candidates for the office for whom you desire to vote, not to exceed, however, the number of candidates to be elected.

To vote for a qualified write-in candidate, turn the select wheel to move the blue bar to highlight the blank space provided for that purpose after the names of the other candidates for the same office and press the ENTER button to type the person's name.

To vote on any measure, turn the select wheel to move the blue bar to highlight your choice in the voting square after the word "Yes" or after the word "No" and press the ENTER button.

First Time Federal Voters (FTFVs):

Due to the passage of Federal legislation HR 3295 — the Help America Vote Act of 2002 (HAVA) — voters, who registered in a jurisdiction for the first time by mail, must provide proof of identity (ID) prior to voting in a Federal election. For those FTFVs who have not yet provided ID, a current and valid photo ID or a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and address of the voter must be included with the ballot to be eligible to vote by absentee ballot. Any questions, call (714) 567-7569.
